Attention Graduating Mission Online Students!

You've worked hard and shown what it means to learn with independence and drive. As graduation approaches, take a moment to celebrate how far you've come — and get ready to cross that finish line with confidence.

If you're applying to a college or university and need *interim marks*, make sure you've completed at least 65% of your course(s) by **May 16, 2025**, to stay on track.

Important Deadline: June 13, 2025

This is the guaranteed deadline for all course completion. To have your final grades included on your transcript in time for June graduation, all Mission Online coursework must be submitted by June 13th.
